YORK SCIENTIFIC INDUSTRIES PRIVATE LIMITED

Notes forming part of the financial statements

CIN : U33125DL1998PTC093379

Note	Particulars
1 Corporate information	
	The company is a manufacturing concern carrying on the business of Manufacture & Sale of Medical & Scientific Equipment/Instruments.
2 Significant accounting policies	
2.1 Basis of accounting and preparation of financial statements	The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. All assets and Liabilities have been classified as current or non-current as per the criteria set out in the Schedule-III to the Companies Act, 2013.
2.2 Use of estimates	The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.
2.3 Inventories	Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Due to the nature of business and the number of items dealt with by the assessee, it is not possible to give quantitative details of stock. However, as per information given, physical verification of stock was conducted at the end of the year to value the stock by the management. The figures provided by the management has been incorporated in the book. figures have not been verified by us.
2.4 Cash and cash equivalents	Cash comprises cash on hand and demand deposits with banks.
2.5 Depreciation and amortisation	Depreciation has been provided on the written down value method as prescribed in Schedule-II to the Companies Act, 2013. Residual Value of assets has been taken at 5% of Original Cost. Useful life of assets has been taken as prescribed in Schedule-II to Companies Act, 2013.
2.6 Revenue recognition	<u>Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added
2.7 Other income	Interest income is accounted on accrual basis.
2.8 Tangible fixed assets	Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any.
2.9 Intangible assets	Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates.

2.10 Employee benefits

Employee benefits include provident fund, ESI Fund, Edli Fund, gratuity, Bonus, Leave Encashment and other allowances. Gratuity is accounted for as cash basis. Provision for gratuity payable is not created by management.

2.11 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.12 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss.

2.13 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.14 GST input credit

Goods and Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

2.15 Previous Year's Figures

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with current year's classification.

2.16 Debtor and creditor balances are subjected to be reconciled**2.17** The company has filed a suit against a customer under the MSME act 2006 in respect of outstanding receivable overdue for the year and interest thereupon. however no interest has been provided in the books of account. management is in the opinion that interest shall be provided as and when the report confirmed. interest will be booked in the year in which company gets favourable decision.

In term of our report attached.

YORK SCIENTIFIC INDUSTRIES PRIVATE LIMITED

Notes forming part of the financial statements

CIN : U33125DL1998PTC093379

Note No.	Particulars
1	Corporate information
	The company is a manufacturing concern carrying on the business of Manufacture & Sale of Medical & Scientific Equipment/Instruments.
2	Significant accounting policies
2.1	Basis of accounting and preparation of financial statements The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies Act,2013. The financial statements have been prepared on accrual basis under the historical cost convention. All assets and Liabilities have been classified as current or non-current as per the criteria set out in the Schedule-III to the Companies Act 2013.
2.2	Use of estimates The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.
2.3	Inventories Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Stock records are maintained by the assessee but in view that one item is used in number of products and the end product is recorded in different unit ie number and raw materials are measured in kgs etc. Therefore it is not possible to ascertain exact yield and yield percentage of finished goods.
2.4	Cash and cash equivalents Cash comprises cash on hand and demand deposits with banks.
2.5	Depreciation and amortisation Depreciation has been provided on the written down value method as prescribed in Schedule-II to the Companies Act,2013. Residual Value of assets has been taken at 5% of Original Cost. Useful life of assets has been taken as prescribed in Schedule-II to Companies Act,2013.
2.6	Revenue recognition Sale of goods Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.
2.7	Other income Interest income is accounted on accrual basis.
2.8	Tangible fixed assets Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any.
2.9	Intangible assets Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates.
2.10	Employee benefits Employee benefits include provident fund, Esi Fund, Edli Fund, gratuity, Bonus, Leave Encashment and other allowances. Gratuity is accounted for as cash basis. Provision for gratuity payable is not created by management.
2.11	Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.12 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss.

2.13 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.14 GST input credit

Goods and Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

2.15 Previous Year's Figures

Previous year's figures have been regrouped /reclassified wherever necessary to correspond with current year's classification /disclosure.

2.16 Debtor and creditor balances are subjected to be reconciled

2.17 The company has filed a suit against a customer under the MSMED Act,2006 in respect of outstanding receivable overdue for the year and interest thereupon. however no interest has been provided in the books of account. management is in the opinion that interest shall be provided as and when the report confirmed. Interest will be booked in the year in which company gets favourable decision.

To the Members of
YORK SCIENTIFIC INDUSTRIES PRIVATE LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **YORK SCIENTIFIC INDUSTRIES PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss for the year ended on that date, a summary of the significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as "the Financial Statements").

1. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the **profit** for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Other Information - Board of Directors' Report

3. The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

4. In connection with our audit of the financial statements, Our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

7. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - i. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
 - iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management

- iv. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation
 - v. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
9. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- A. Report on Other Legal and Regulatory Requirements**
12. This report does not include a statement on the matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) Order, 2020, issued by the Central Government in terms of section 143(11) of the Companies Act, 2013, since in our opinion and according to the information and explanation given to us, the said Order is not applicable to the company.
13. As required by Section 143(3) of the Act, based on our audit we report that:
- i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- iii) The financial statements dealt with by this Report are in agreement with the books of accounts.
- iv) In our opinion, the aforesaid financial statements comply with the AS specified under Section 133 of the Act, read with the Companies (Indian accounting standards) Rules, 2015.
- v) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, None of the directors of the company is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- vi) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us
 - i. The Company does not have any pending litigation which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. The company has neither declared nor paid any dividend during the year.
 - v.
 - a. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Pratik & Associates
Chartered Accountants

- c. In our opinion and Based on the audit procedures conducted by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement
- vi. Based on our examination, which included test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instances of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, which is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, on preservation of audit trail as per the statutory requirements for record retention is being maintained.

YORK SCIENTIFIC INDUSTRIES PRIVATE LIMITED
Notes forming part of the financial statements
CIN : U33125DL1998PTC093379

Note No.	Particulars
1	Corporate information The company is a manufacturing concern carrying on the business of Manufacture & Sale of Medical & Scientific Equipment/Instruments.
2	Significant accounting policies
2.1	Basis of accounting and preparation of financial statements The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. All assets and Liabilities have been classified as current or non-current as per the criteria set out in the Schedule-III to the Companies Act, 2013.
2.2	Use of estimates The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.
2.3	Inventories Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Stock records are maintained by the assessee but in view that one item is used in number of products and the end product is recorded in different unit i.e. number and raw materials are measured in kgs etc. Therefore it is not possible to ascertain exact yield and yield percentage of finished goods.
2.4	Cash and cash equivalents Cash comprises cash on hand and demand deposits with banks.
2.5	Depreciation and amortisation Depreciation has been provided on the written down value method as prescribed in Schedule-II to the Companies Act, 2013. Residual Value of assets has been taken at 5% of Original Cost. Useful life of assets has been taken as prescribed in Schedule-II to Companies Act, 2013.
2.6	Revenue recognition <u>Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.
2.7	Other income Interest income is accounted on accrual basis.
2.8	Tangible fixed assets Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any.
2.9	Intangible assets Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates.

2.10	Employee benefits Employee benefits include provident fund, Esi Fund, Edli Fund, gratuity, Bonus, Leave Encashment and other allowances. Gratuity is accounted for as cash basis. Provision for gratuity payable is not created by management.
2.11	Taxes on income Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.
2.12	Research and development expenses Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss.
2.13	Provisions and contingencies A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
2.14	GST input credit Goods and Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.
2.15	Previous Year's Figures Previous year's figures have been regrouped / reclassified wherever necessary to correspond with current year's classification / disclosure.
2.16	Debtor and creditor balances are subjected to be reconciled
2.17	The company has filed a suit against a customer under the MSMED Act, 2006 in respect of outstanding receivable overdue for the year and interest thereupon, however no interest has been provided in the books of account. management is in the opinion that interest shall be provided as and when the report confirmed interest will be booked in the year in which company gets favourable decision.
