Service Level Agreement for Facility Management Services

Lump Sum Basis

All Facility Management Services related Contracts/ Agreement placed through GeM shall be governed by following set of Terms and Conditions:

1. General terms and conditions for Services ("GTC");
2. Service Specific Terms and Conditions ("STC") of the Services contracts shall include the Service Level Agreement ("SLA") for the service;
3. BID / Reverse Auction specific Additional Terms and Conditions ("ATC") as specified by the Buyer.

The above terms and conditions are in reverse order of precedence i.e. ATC supersedes Service specific STC which supersede GTC, whenever there are any conflicting provisions. The above set of terms and conditions along with scope of work and SLA as enumerated in the document shall be construed to be part of the Contract between the Buyer and the Service Provider. The service will be provided in bid only mode.

1 Objectives and Goals

The objective of this Agreement is to ensure that all the commitments and obligations are in place to ensure consistent delivery of services to the Buyer by the Service Provider. The goals of this Agreement are to:

- i. Provide clear reference to service ownership, accountability, roles and responsibilities of both parties
- ii. Present a clear, concise and measurable description of services offered to the Buyer
- iii. Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified
- iv. To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

The Agreement will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same. The Agreement can also be revised/ modified on mutual consent of the stakeholders.

2 Parties to the Agreement

The main stakeholders associated with this Agreement are below-

- i. **Buyer:** The Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed
- ii. **Service Provider:** The Service Provider is responsible to provide all the required services in timely manner. The Service Provider may also include seller, any authorized agents, assignees, successors and nominees as described in the Agreement

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses service level/ deductions in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders have read and understood the same before signing the document.

नियम और शर्तें | Terms and Conditions

1. Special terms and conditions- Version:2 effective from 25-10-2023

- 1.1
- All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organisation (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
 - The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
 - The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any.
 - Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
 - Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM.
