Product Specification for STAR NUKE 3.5 Kw Mobile Digital Radiography Systems						
विनिर्देश Specification	उप-विनिर्देश Sub-Spec	मूल्य Value				
Standards	Conformity to standards	BIS				
	Certification Number and date	8400193016 & 06/01/2023				
	AREB type test approval for model	Yes				
	AERB Certificate Number and date for model	22-TA-775873 17/05/2022				
	Conformity to Manufactures Quality Certifications	ISO 9001 & ISO 1348				
	Conformity to Safety Standards	IEC 60601-2-54 or equivalent BIS				
Performance Parameters	UMDNS Code and names(Hint: This is for indicating the relevant universal medical devices nomenclature for the category of product)	18-430				
	Purpose	Used for radiographic imaging of patients who cannot be moved to the radiology department and who are in areas—such as intensive and critical care units or operating and emergency rooms and should be a digital system with flat panel detector				
	Scope of supply	Compact,easily transportable, digital mobile radiographic unit with articulated/telescopic arm				
Digital Detector	Radiography Mode	Digital				
	Number of detectors	1				
	Detector Material	Cesium Iodide				
	Detector Size	14 inches x 17 inches(wireless)				
	Matrix size	2kx2k				
	Pixel size in µm	140				
	Grey Scale resolution, bits/pixel	14 or better				
	DQE at 0 LP/mm	65% or more				
	Machine should have a detector storage compartment	Yes				
	Weight of detector in kg	4.2				
	Detector should be designed and calibrated for General Radiography Purposes and must be fully integrated with the mobile unit including the controls	Yes				
	Detector storage capacity	100 images or more				
Control panel for image acquisition	Image preview time in seconds	6				
	Control panel	Microprocessor controlled				
	Automatic parameter selection	Yes				
	Control panel entry	Touch screen				
	Anatomic specific post processing	Yes				
	Display	Should have a digital display of mAs and KV and an electronic timer				
	Inbuilt console should have touch TFT screen and control	Yes				
	Console should enable to view the image, and provide post processing features, using touch screen	Yes				
	Post processing features	zoom, contrast and brightness, adjustment, panning annotate, mark and reporting				
X RAY Generator and Tubes	" High Frequency X-ray Generator Power in Kw"	3.5 Kw				
	KV range	40-110				
	Maximum mA	100 @ 40 KVP				
	Focal spot,mm	0.8-2				
	Heat Capacity ,KHU	40-100				
	Anode Type	Stationary				
	Anode rpm	NA for stationary				
	Exposure time in ms	0.1 to 3 Sec				
	" Control Panel and x-ray Tube "	Yes				

	Automatic tube positioning	No
Tube Suspension	X ray tube out put should match with generator	Yes
	Type of suspension	Articulated arm
	Collimator Type	Manual
	Collimator rotation	± 90 degree with on off timer
Ergonomics	Unit should have small foot print	Yes
	Height of the column in cm (Should facilitate easy transportation in the lift and areas with small height doors etc	150
	Weight of mobile x ray unit in kg	300
	The cables should be concealed in the arm system	Yes
	Exposure release switch	Detachable with a cord of at least 5 meters.
Workstation	Inbuilt work station	Yes
	Monitor size in inches	12
	Processor	i 5
	RAM in GB	4
	HDD	500 GB
	Dicom compatibility of work station	Yes
	Inbuilt console should have touch screen control	Yes
	No of images which can be stored	5000 or more
	The machine should be fully network ready and it should be possible to transfer images and patient data from and to hospital network using LAN connectivity or wireless LAN	Yes
Accessories	Stitching hardware and software	No
	Integration	DICOM 3.0 storage SOP Classes
	DAP Meter supplied	No
	Lead Apron	Yes
	Light weight 'zero lead' radiation protection aprons provided	No
	Lead Aprons - Full body and Skirt type	2 no each (0.5pb)
	Thyroid shields supplied	Yes
	Gonadsheet Male supplied	Yes
	Gonad sheet Female supplied	Yes
	Extractable measurable tape should be available	Yes
	Motorized movement for complete machine	No
	Castor wheel	Yes
	Unit should have effective breaking system for parking	Yes
	Power Requirements	230 V 50 HZ Single phase -16 Ampls socket
	Machine should run on mains as well as battery supply	No
	No of exposures which can be run on battery	NO
	Battery should be able to provide power to the motor to move machine	No
	Battery charging time in hours	6
Miscellaneous Parameters	Number of installations of the portable digital radiography machines in Central /State/PSU Govt Hospitals(Note: Seller should supply a performace certificate of the device to the buyer if demanded after placement of order)	more than 3
	Warranty (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	5
	OEM/Reseller (if supplied to reseller shall ensure uninterputed availabilty of all spares for 10 years)	Yes
	Availability of toll free facility for technical support maintained by OEM or authorized agencies	Yes
	User/Technical/Maintenance manuals to be supplied in English in hard	

	and soft copy	Yes
	Demonstration of equipment and training to be provided after completing supplies before acceptance	Yes
	Copies of reports and certifications to be furnished to buyer on demand at time of supplies	Yes
	QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes
	Copies of all calibration and test reports to be submitted at the time of Supply of Machine	Yes

टिप्पणी | Note:: Seller has given an undertaking that it has made arrangements for getting the stores from an authorized distributor / dealer / channel partner of the OEM of the offered product. At the time of delivery of goods, Seller will provide necessary chain documents (in the form of GST Invoice) to prove that the supplied goods are genuine and are being sourced from an authorized distributor / dealer / channel partner of the OEM. In case of any complaint about genuineness of the supplied products, Seller shall be responsible for providing genuine replacement supplies.

बोली लगाने वाले को बोली के नियमों और शर्तों के अनुसार लागू ईपीबीजी प्रस्तुत करना होगा | The bidder shall furnish ePBG as applicable as per bid's terms and conditions

नियम और शर्तें | Terms and Conditions

1. Special terms and conditions- Version:2 effective from 10-11-2022

1.1

1. All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organisation (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.

2. The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.

3. The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any.

4. Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.

5. Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address,telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled.Details of toll-free numbers for service call and online registration of

service requests also to be provided buyer/consignee at the time of supplies.

6. Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
7. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
8. Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
9. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
10. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
11. Software: All software updates should be provided free of cost during warranty period.
12. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.

2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable

3. Buyer Added Bid Specific Terms and Conditions-

3.1 Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.

3.2 Scope of Supply:

Scope of supply (Bid price to include all cost components) : Supply Installation Testing and Commissioning of Goods

3.3 Service & Support:

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

3.4 Service & Support:

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

3.5 Inspection:

Pre-dispatch inspection at Seller premises (Fee/Charges to be borne by the BUYER): Before dispatch, the goods will be inspected by Buyer / Consignee or their Authorized Representative or by Nominated External Inspection Agency (independently or jointly with Buyer or Consignee as decided by the Buyer) at Seller premises (or at designated place for inspection as declared / communicated by the seller) for their compliance to the contract specifications. Fee/Charges taken by the External inspection Agency and any external laboratories testing charges shall be borne by the Buyer. For in-house testing, the Sellers will provide necessary facilities free of cost. Seller shall notify the Buyer through e-mail about readiness of goods for pre-dispatch inspection and Buyer will notify the Seller about the Authorized Representative/ Nominated External Inspection Agency and the date for testing. The goods would be dispatched to consignee only after clearance in pre-dispatch inspection. Consignee's right of rejection as per GTC in respect of the goods finally received at his location shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by Buyer/ Consignee or its Nominated External Inspection Agency prior to the goods' shipment. While bidding, the sellers should take into account 7 days for inspection from the date of email offering the goods for inspection. Any delay in inspection beyond 7 days shall be on the part of the buyer and shall be regularised without Liquidated Damages. When there is requirement of submission the advance sample, the seller shall inform the buyer promptly through emails about the date of submission of sample to the buyer nominated Inspection agency.

3.6 Service & Support:

Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.

नोट: यह सिस्टम जनरेटेड फाइल है। कोई हस्ताक्षर की आवश्यकता नहीं है। इस दस्तावेज़ का प्रिंट आउट भुगतान/लेनदेन उद्देश्य के लिए मान्य नहीं है।

Note: This is system generated file. No signature is required. Print out of this document is not valid for payment/ transaction purpose.

Product Specification for STAR NUKE Portable X-Ray Machine						
विनिर्देश Specification	उप-विनिर्देश Sub-Spec		मूल्य Value			
GENERAL	Product Description		Portable X-Ray Machine			
	Purpose		Portable X-ray machines are medical imaging devices designed to produce X-ray images of a patient's internal structures			
PRODUCT INFORMATION	Type of frequency Generator		High Frequency			
	Frequency generator output in kW		4			
	Voltage Output range in kV		40 to 120			
	Tube Current in mA		100			
	Maximum Exposure time in milli sec		upto 10			
	mAs Range		0.5 to 200			
	Nominal focal spot size in mm		1 to 2			
	Inherent Filtration of x-ray		Yes			
	Collimator provided		Yes			
	Type of Collimator		Manual			
	Focal Spot size in mm		1 to 2			
	Automatic exposure control device provided		No			
	Digital display for kV & mAs supplied		Yes			
	Electronic timer supplied		Yes			
	Provision of Anatomical programming radiography(APR)		Yes			
	X-ray tube system		Stationary Anode			
	Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for stationary anode 0)		0 for stationary anode			
	The unit should be easily positioned (from either side of the bed) for imaging in all possible projections		Yes			
	Portable X-ray machine shall be easily transportable and steering on caster wheel		Yes			
	Provision of effective braking system for parking,transport and emergency braking		Yes			
	Lead Aprons - Full body and Skirt type		4 No each (0.5pb)			
	No of Thyroid shield and Gonald Shield		4 No each			
	X-ray exposure command control		Hand switch			
	Power Cable length in meter		≥ 3			
	X- ray film Cassette holder available		Yes			
	X-ray film cassette holder size in mm x mm		35 x 43			
	Power supply		Single Phase AC (220-240 V,50 Hz)			
	Power plug (16 amp) compatible to standard wall outlet shall be supplied		Yes			
	Tube protection against overload provided		Yes			
	Portable X ray machine should be made in small footprint and hidden cable design for easy and efficient cleaning		Yes			
	Operating temperature and humidity		10 - 28 deg C and Relative Humidity of 15-90%			

CERTIFICATIONS AND REPORTS	Compliance to Medical Device Rules (MDR) 2017 as amended till date	Yes

बोली लगाने वाले को बोली के नियमों और शर्तों के अनुसार लागू ईपीबीजी प्रस्तुत करना होगा | The bidder shall furnish ePBG as applicable as per bid's terms and conditions

नियम और शर्तें | Terms and Conditions

1. Special terms and conditions- Version:1 effective from 06-10-2023

- 1.1
- All Provisions of Drugs and Cosmetics Act, 1940 and Rules (including Medical Device Rule 2017) made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
 - The sellers are registered on GeM based on the submission of valid Drug License and self declaration of product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
 - In case of authorized resellers/distributors, it will be the legal & regulatory liability of the manufacturer to ensure that their resellers/distributors are operating in compliance with all relevant laws and regulations and are properly licensed to sell the manufacturer's products, including verifying the validity and authenticity of drug license held by them.
 - The price offered by the seller/bidder shall not, in any case exceed the DPCO/NPPA controlled price or price fixed by State Government, if any. The seller must reduce the prices if there is any reduction in DPCO/NPPA ceiling price or price fixed by State Government, if any.
 - Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions (ATC) in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.
 - Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
 - Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
 - Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
 - Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
 - Software: All software updates should be provided free of cost during warranty period.

2. General Terms and Conditions-

- This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.
- This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable
- All GeM Sellers / Service Providers are mandated to ensure compliance with all the applicable laws / acts / rules including but not limited to all Labour Laws such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972 etc. Any non-compliance will be treated as breach of contract and Buyer may take suitable actions as per GeM Contract.

3. Buyer Added Bid Specific Terms and Conditions-

3.1 Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.

Buyer Organization specific Integrity Pact shall have to be complied by all bidders. Bidders shall have to upload scanned copy of signed integrity pact as per Buyer organizations policy along with bid. [Click here to view the file](#)

3.7 Generic

Installation, Commissioning, Testing, Configuration, Training (if any - which ever is applicable as per scope of supply) is to be carried out by OEM / OEM Certified resource or OEM authorised Reseller.

3.8 Generic

Manufacturer Authorization: Wherever Authorised Distributors/service providers are submitting the bid, Authorisation Form /Certificate with OEM/Original Service Provider details such as name, designation, address, e-mail Id and Phone No. required to be furnished along with the bid

3.9 Generic

The seller is required to print logo as per buyer's requirement.

3.10 Generic

Without prejudice to Buyer's right to price adjustment by way of discount or any other right or remedy available to Buyer, Buyer may terminate the Contract or any part thereof by a written notice to the Seller, if:

- i) The Seller fails to comply with any material term of the Contract.
- ii) The Seller informs Buyer of its inability to deliver the Material(s) or any part thereof within the stipulated Delivery Period or such inability otherwise becomes apparent.
- iii) The Seller fails to deliver the Material(s) or any part thereof within the stipulated Delivery Period and/or to replace/rectify any rejected or defective Material(s) promptly.
- iv) The Seller becomes bankrupt or goes into liquidation.
- v) The Seller makes a general assignment for the benefit of creditors.
- vi) A receiver is appointed for any substantial property owned by the Seller.
- vii) The Seller has misrepresented to Buyer, acting on which misrepresentation Buyer has placed the Purchase Order on the Seller.

3.11 Generic

While generating invoice in GeM portal, the seller must upload scanned copy of GST invoice and the screenshot of GST portal confirming payment of GST.

3.12 Scope of Supply

Scope of supply (Bid price to include all cost components) : Supply Installation Testing and Commissioning of Goods

3.13 Turnover

Bidder Turn Over Criteria: The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

3.14 Turnover

OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria. In case of bunch bids, the OEM of CATEGORY RELATED TO primary product having highest bid value should meet this criterion.

3.15 Service & Support

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

3.16 Service & Support

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

3.17 Service & Support

Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.

3.18 OEM

IMPORTED PRODUCTS: In case of imported products, OEM or Authorized Seller of OEM should have a registered office in India to provide after sales service support in India. The certificate to this effect should be submitted.

3.19 Warranty

Warranty period of the supplied products shall be as given in specifications from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. OEM Warranty certificates must be submitted by Successful Bidder at the time of delivery of Goods. The seller should guarantee the rectification of goods in case of any break down during the guarantee period. Seller should have well established Installation, Commissioning, Training, Troubleshooting and Maintenance Service group in INDIA for attending the after sales service. Details of Service Centres near consignee destinations are to be uploaded along with the bid.

Product Specification for STAR NUKE Portable X-Ray Machine

विनिर्देश Specification	उप-विनिर्देश Sub-Spec	मूल्य Value
GENERAL	Product Description	Portable X-Ray Machine
	Purpose	Portable X-ray machines are medical imaging devices designed to produce X-ray images of a patient's internal structures
PRODUCT INFORMATION	Type of frequency Generator	High Frequency
	Frequency generator output in kW	4
	Voltage Output range in kV	40 to 120
	Tube Current in mA	100
	Maximum Exposure time in milli sec	upto 10
	mAs Range	0.5 to 200
	Nominal focal spot size in mm	1 to 2
	Inherent Filtration of x-ray	Yes
	Collimator provided	Yes
	Type of Collimator	Manual
	Focal Spot size in mm	1 to 2
	Automatic exposure control device provided	No
	Digital display for kV & mAs supplied	Yes
	Electronic timer supplied	Yes
	Provision of Anatomical programming radiography(APR)	Yes
	X-ray tube system	Stationary Anode
	Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for stationary anode 0)	0 for stationary anode
	The unit should be easily positioned (from either side of the bed) for imaging in all possible projections	Yes
	Portable X-ray machine shall be easily transportable and steering on caster wheel	Yes
	Provision of effective braking system for parking,transport and emergency braking	Yes
	Lead Aprons - Full body and Skirt type	4 No each (0.5pb)
	No of Thyroid shield and Gonad Shield	4 No each
	X-ray exposure command control	Hand switch
	Power Cable length in meter	≥ 3
	X- ray film Cassette holder available	Yes
	X-ray film cassette holder size in mm x mm	35 x 43
	Power supply	Single Phase AC (220-240 V,50 Hz)
	Power plug (16 amp) compatible to standard wall outlet shall be supplied	Yes

	Tube protection against overload provided	Yes
	Portable X ray machine should be made in small footprint and hidden cable design for easy and efficient cleaning	Yes
	Operating temperature and humidity	10 - 28 deg C and Relative Humidity of 15-90%
CERTIFICATIONS AND REPORTS	Compliance to Medical Device Rules (MDR) 2017 as amended till date	Yes
	Availability of valid drug/medical device license for the product issued from the competent authority defined under Drugs and Cosmetic Act 1940 and Rules made there under as amended till date	Yes
	Valid Drug License/Medical Device License Number	MFG/MD/2023/001000
	AERB Type Approved Equipment	Yes
	AERB approval certificate number of Particular Model	15-TA-45302
	Conformity to Indian Standard IS 7620- Part 1, Part 2, Part 3	Yes
	Manufacturing unit certification	ISO:13485 (Latest)
	Additional voluntary certification available	NO
	Availability of Test Report for each supplied batch/product as per Medical Device Rules (MDR) 2017 as amended till date	Yes
	Electrical Safety Standards	IEC 60601-2-54 or Equivalent BIS Standard
	Submission of all necessary certifications, licenses and test reports to the buyer at the time of bid submission and/or along with supplies as per buyer requirement	Yes
WARRANTY	Warranty in years (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	5 year
MISCELLANEOUS PARAMETERS	OEM/Reseller shall ensure uninterrupted availability of all spares for 10 years	Yes
	User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes
	Details of equipments and procedures required for local calibration and routine maintenance to be supplied and advanced maintenance task documentation also to be furnished	Yes
	List of important spares and accessories, with their part numbers to be supplied to the buyer at the time of supplying the equipment	Yes
	Principal Manufacturer must have direct Presence/approved service center In India	Yes
	Availability of toll free facility for technical support maintained by OEM or authorized agencies	Yes
	Installation and demonstration of equipment and training to be provided after completing supplies before acceptance	Yes
	QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes
	Copies of all calibration reports to be submitted at the time of Supply of Machine	Yes
	Time to attend breakdown calls	within 48 hours

खरीदार परिभाषित अतिरिक्त विशेषता के लिए Buyer Defined Additional Specification for STAR NUKE Portable X-Ray Machine		
विनिर्देश Specification	मूल्य Value	
Additional Specifications in ATC	In addition to the GeM Golden parameters, offered product of the bidder shall also match with the additional specifications mentioned in the ATC and technical evaluation will be done as per GeM & additional specifications in the ATC. The product offered by the bidders shall compile both GEM and ATC Specifications. Product not meeting with required technical specifications in Buyer Added Bid Specific Additional ATC will be rejected.	

Mode of Technical Evaluation	The bidder who qualified in the pre-Eligibility Criteria will be informed for technical Evaluation/demonstration via e-mail. The technical evaluation will be done by demonstrating the offered model with the requisite specifications. Bidders who did not demonstrate the offered model will be rejected outrightly and no communication will be entertained. The expenditure incurred for demonstrating the items will be borne by the supplier.		
Details of Tender Inviting Authority	All the participating bidders are hereby requested that, all the technical documents to be uploaded in the bid shall be addressed to the following address "The Chief, Government Pharmacy, Indira Nagar, Gorimedu, Puducherry - 605 006".

बोली लगाने वाले को बोली के नियमों और शर्तों के अनुसार लागू ईपीबीजी प्रस्तुत करना होगा The bidder shall furnish ePBG as applicable as per bid's terms and conditions			
नियम और शर्तें Terms and Conditions			
1. Special terms and conditions- Version:1 effective from 06-10-2023			
1.1	1. All Provisions of Drugs and Cosmetics Act, 1940 and Rules (including Medical Device Rule 2017) made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard. 2. The sellers are registered on GeM based on the submission of valid Drug License and self declaration of product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc. 3. In case of authorized resellers/distributors, it will be the legal & regulatory liability of the manufacturer to ensure that their resellers/distributors are operating in compliance with all relevant laws and regulations and are properly licensed to sell the manufacturer's products, including verifying the validity and authenticity of drug license held by them. 4. The price offered by the seller/bidder shall not, in any case exceed the DPCO/NPPA controlled price or price fixed by State Government, if any. The seller must reduce the prices if there is any reduction in DPCO/NPPA ceiling price or price fixed by State Government, if any. 5. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions (ATC) in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions. 6. Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period. 7. Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies. 8. Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them. 9. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details. 10. Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied. 11. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable. 12. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call. 13. Software: All software updates should be provided free of cost during warranty period.		
2. General Terms and Conditions-			
2.1 This contract is governed by the General Terms and Conditions , conditions stipulated to this Product/Service as provided in the Marketplace.			
2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions			

(ATC), as applicable

2.3 All GeM Sellers / Service Providers are mandated to ensure compliance with all the applicable laws / acts / rules including but not limited to all Labour Laws such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972 etc. Any non-compliance will be treated as breach of contract and Buyer may take suitable actions as per GeM Contract.

3. Buyer Added Bid Specific Terms and Conditions-

3.1 Certificates:

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

3.2 Certificates:

The bidder is required to upload, along with the bid, all relevant certificates such as BIS licence, type test certificate, approval certificates and other certificates as prescribed in the Product Specification given in the bid document.

3.3 Scope of Supply:

Scope of supply (Bid price to include all cost components) : Supply Installation Testing Commissioning of Goods and Training of operators and providing Statutory Clearances required (if any)

3.4 Buyer Added Bid Specific ATC:

Buyer Added text based ATC clauses

In addition to GeM Golden Parameter the following specifications shall taken into account for technical evaluation. The offered product of bidder shall comply the following specifications without fail.

GENERAL

Product Description	Portable X-Ray Machine
Purpose	Portable X-ray machines are medical imaging devices designed to produce X-ray images of a patient's internal structures

PRODUCT INFORMATION

Voltage Output range in kV	40 to 120
Maximum Exposure time in milli sec	upto 10
mAs Range	0.5 to 200
Nominal focal spot size in mm	1 to 2
Inherent Filtration of x-ray	Yes
Collimator provided	Yes
Focal Spot size in mm	1 to 2
Automatic exposure control device provided	No
Digital display for kV & mAs supplied	Yes
Electronic timer supplied	Yes
Provision of Anatomical programming radiography(AP R)	Yes
Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for stationary anode 0)	0 for stationary anode
The unit should be easily positioned (from either side of the bed) for imaging in all possible projections	Yes
Portable X-ray machine shall be easily transportable a	Yes

nd steering on caster wheel	
Provision of effective braking system for parking,transport and emergency braking	Yes
Lead Aprons - Full body and Skirt type	4 No each (0.5pb)
No of Thyroid shield and Gonad Shield	4 No each
X-ray exposure command control	Hand switch
Power Cable length in meter	≥ 3
X- ray film Cassette holder available	Yes
X-ray film cassette holder size in mm x mm	35 x 43
Power supply	Single Phase AC (220-240 V,50 Hz)
Power plug (16 amp) compatible to standard wall outlet shall be supplied	Yes
Tube protection against overload provided	Yes
Portable X ray machine should be made in small footprint and hidden cable design for easy and efficient cleaning	Yes
Operating temperature and humidity	10 - 28 deg C and Relative Humidity of 15-90%
CERTIFICATIONS AND REPORTS	
Compliance to Medical Device Rules (MDR) 2017 as amended till date	Yes
Availability of valid drug/medical device license for the product issued from the competent authority defined under Drugs and Cosmetic Act 1940 and Rules made there under as amended till date	Yes
Valid Drug License/Medical Device License Number	To be provided by bidder
AERB Type Approved Equipment	Yes
AERB approval certificate number of Particular Model	To be provided by bidder
Conformity to Indian Standard IS 7620- Part 1, Part 2, Part 3	Yes
Manufacturing unit certification	ISO:13485 (Latest)
Additional voluntary certification available	ICMED/00025
Availability of Test Report for each supplied batch/product as per Medical Device Rules (MDR) 2017 as amended till date	Yes

Electrical Safety Standards	IEC 60601-2-54 or Equivalent BIS Standard
Submission of all necessary certifications, licenses and test reports to the buyer at the time of bid submission and/or along with supplies as per buyer requirement	Yes
MISCELLANEOUS PARAMETERS	
OEM/Reseller shall ensure uninterrupted availability of all spares for 10 years	Yes
User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes
Details of equipments and procedures required for local calibration and routine maintenance to be supplied and advanced maintenance task documentation also to be furnished	Yes
List of important spares and accessories, with their part numbers to be supplied to the buyer at the time of supplying the equipment	Yes
Principal Manufacturer must have direct Presence/approved service centre In India	Yes
Availability of toll-free facility for technical support maintained by OEM or authorized agencies	Yes
Installation and demonstration of equipment and training to be provided after completing supplies before acceptance	Yes
QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes
Copies of all calibration reports to be submitted at the time of Supply of Machine	Yes
Time to attend breakdown calls	within 48 hours

3.5 Buyer Added Bid Specific ATC:

Buyer uploaded ATC document [Click here to view the file](#).

3.6 Generic:

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.

3.7 Generic:

Bidder financial standing: The bidder should not be under liquidation, court receivership or similar proceedings, should not be bankrupt. Bidder to upload undertaking to this effect with bid.

3.8 Generic:

Bidders shall quote only those products (Part of Service delivery) in the bid which are not obsolete in the market and has at least 7 years residual market life i.e. the offered product shall not be declared end-of-life by the OEM before this period.

3.9 Generic:

Experience Criteria: The Bidder or its OEM (themselves or through reseller(s)) should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for 2 years before the bid opening date. Copies of relevant contracts to be submitted along with bid in support of having supplied some quantity during each of the year. In case of bunch bids, the primary product having highest value should meet this criterion.

3.10 Generic:

Data Sheet of the product(s) offered in the bid, are to be uploaded along with the bid documents. Buyers can match and verify the Data Sheet with the product specifications offered. In case of any unexplained mismatch of technical parameters, the bid is liable for rejection.

3.11 *Generic*

Installation, Commissioning, Testing, Configuration, Training (if any - which ever is applicable as per scope of supply) is to be carried out by OEM / OEM Certified resource or OEM authorised Reseller.

3.12 *Generic*

Manufacturer Authorization:Wherever Authorised Distributors/service providers are submitting the bid, Authorisation Form /Certificate with OEM/Original Service Provider details such as name, designation, address, e-mail Id and Phone No. required to be furnished along with the bid

3.13 *OEM*

IMPORTED PRODUCTS: In case of imported products, OEM or Authorized Seller of OEM should have a registered office in India to provide after sales service support in India. The certificate to this effect should be submitted.

3.14 *Service & Support:*

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

3.15 *Service & Support:*

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

3.16 *Service & Support:*

Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.

3.17 *Warranty:*

Warranty period of the supplied products shall be as given in specifications from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. OEM Warranty certificates must be submitted by Successful Bidder at the time of delivery of Goods. The seller should guarantee the rectification of goods in case of any break down during the guarantee period. Seller should have well established Installation, Commissioning, Training, Troubleshooting and Maintenance Service group in INDIA for attending the after sales service. Details of Service Centres near consignee destinations are to be uploaded along with the bid.

3.18 *Warranty:*

Successful bidder will have to ensure that adequate number of dedicated technical service personals / engineers are designated / deployed for attending to the Service Request in a time bound manner and for ensuring Timely Servicing / rectification of defects during warranty period, as per Service level agreement indicated in the relevant clause of the bid.

3.19 *Warranty:*

Timely Servicing / rectification of defects during warranty period: After having been notified of the defects / service requirement during warranty period, Seller has to complete the required Service / Rectification within 4 days time limit. If the Seller fails to complete service / rectification with defined time limit, a penalty of 0.5% of Unit Price of the product shall be charged as penalty for each week of delay from the seller. Seller can deposit the penalty with the Buyer directly else the Buyer shall have a right to recover all such penalty amount from the Performance Security (PBG).Cumulative Penalty cannot exceed more than 10% of the total contract value after which the Buyer shall have the right to get the service / rectification done from alternate sources at the risk and cost of the Seller besides forfeiture of PBG. Seller shall be liable to re-imburse the cost of such service / rectification to the Buyer.

3.20 *Past Project Experience:*

Proof for Past Experience and Project Experience clause: For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any other document in support of contract execution like Third Party Inspection release note, etc.**Proof for Past Experience and Project Experience clause:** For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any other document in support of contract execution like Third Party Inspection release note, etc.

नोट: यह सिस्टम जनरेटेड फाइल है। कोई हस्ताक्षर की आवश्यकता नहीं है। इस दस्तावेज़ का प्रिंट आउट भुगतान/लेनदेन उद्देश्य के लिए मान्य नहीं है।

Product Specification for STAR NUKE Portable X-Ray Machine						
विनिर्देश Specification	उप-विनिर्देश Sub-Spec	मूल्य Value				
GENERAL	Product Description	Portable X-Ray Machine				
	Purpose	Portable X-ray machines are medical imaging devices designed to produce X-ray images of a patient's internal structures				
PRODUCT INFORMATION	Type of frequency Generator	Line Frequency				
	Frequency generator output in kW	8				
	Voltage Output range in kV	40 to 100				
	Tube Current in mA	100				
	Maximum Exposure time in milli sec	upto 40				
	mAs Range	0.5 to 250				
	Nominal focal spot size in mm	1 to 3				
	Inherent Filtration of x-ray	Yes				
	Collimator provided	Yes				
	Type of Collimator	Manual				
	Focal Spot size in mm	2 to 3				
	Automatic exposure control device provided	Yes				
	Digital display for kV & mAs supplied	Yes				
	Electronic timer supplied	Yes				
	Provision of Anatomical programming radiography(APR)	No				
	X-ray tube system	Stationary Anode				
	Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for stationary anode 0)	0 for stationary anode				
	The unit should be easily positioned (from either side of the bed) for imaging in all possible projections	Yes				
	Portable X-ray machine shall be easily transportable and steering on caster wheel	Yes				
	Provision of effective braking system for parking,transport and emergency braking	Yes				
	Lead Aprons - Full body and Skirt type	4 No each (0.5pb)				
	No of Thyroid shield and Gonad Shield	4 No each				
	X-ray exposure command control	Hand switch				
	Power Cable length in meter	≥ 3				
	X- ray film Cassette holder available	Yes				
	X-ray film cassette holder size in mm x mm	35 x 43				
	Power supply	Single Phase AC (220-240 V,50 Hz)				
	Power plug (16 amp) compatible to standard wall outlet shall be supplied	Yes				
	Tube protection against overload provided	Yes				
	Portable X ray machine should be made in small footprint and hidden cable design for easy and efficient cleaning	Yes				
	Operating temperature and humidity	10 - 28 deg C and Relative Humidity of 15-90%				
CERTIFICATIONS AND REPORTS	Compliance to Medical Device Rules (MDR) 2017 as amended till date	Yes				
	Availability of valid drug/medical device license for the product issued from the competent authority defined under Drugs and Cosmetic Act 1940 and Rules made there under as amended till date	Yes				
	Valid Drug License/Medical Device License Number	CDSCO				
	AERB Type Approved Equipment	Yes				
	AERB approval certificate number of Particular Model	15-TA-45302				
	Conformity to Indian Standard IS 7620- Part 1, Part 2, Part 3	Yes				
	Manufacturing unit certification	ISO:13485 (Latest)				

	Additional voluntary certification available	NO		
	Availability of Test Report for each supplied batch/product as per Medical Device Rules (MDR) 2017 as amended till date	Yes		
	Electrical Safety Standards	IEC 60601-2-54 or Equivalent BIS Standard		
	Submission of all necessary certifications, licenses and test reports to the buyer at the time of bid submission and/or along with supplies as per buyer requirement	Yes		
WARRANTY	Warranty in years (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	5 year		
MISCELLANEOUS PARAMETERS	OEM/Reseller shall ensure uninterrupted availability of all spares for 10 years	Yes		
	User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes		
	Details of equipments and procedures required for local calibration and routine maintenance to be supplied and advanced maintenance task documentation also to be furnished	Yes		
	List of important spares and accessories, with their part numbers to be supplied to the buyer at the time of supplying the equipment	Yes		
	Principal Manufacturer must have direct Presence/approved service center In India	Yes		
	Availability of toll free facility for technical support maintained by OEM or authorized agencies	Yes		
	Installation and demonstration of equipment and training to be provided after completing supplies before acceptance	Yes		
	QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes		
	Copies of all calibration reports to be submitted at the time of Supply of Machine	Yes		
	Time to attend breakdown calls	within 48 hours		
Additional Requirements	Additional Requirements	NA		
उत्पाद का बीआईएस लाइसेंस BIS license of the product: 8400193016				
व्यापक रखरखाव के लिए शुल्क Comprehensive maintenance charges for STAR NUKE Portable X-Ray Machine				
सेवा वर्ष Service Year		सीएमसी प्रतिशत CMC Percentage	कर द्विभाजन Tax Bifurcation	
CMC charges for 1 st year after warranty period in % of cost of equipment		5%	NA	
CMC charges for 2 nd year after warranty period in % of cost of equipment		5%		
CMC charges for 3 rd year after warranty period in % of cost of equipment		5%		
CMC charges for 4 th year after warranty period in % of cost of equipment		5%		
CMC charges for 5 th year after warranty period in % of cost of equipment		5%		
शुद्धिपत्र Corrigendum				
1. तक बढ़ाया गया Extended Upto : 2024-01-09 09:00:00				
2. तक बढ़ाया गया Extended Upto : 2024-01-23 09:00:00				
सीएमसी के लिए अतिरिक्त खंड Additional Clauses for CMC				
1.CMC shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares, after satisfactory completion of Warranty. During the CMC period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months or as per user requirement. Cost of consumables shall not be included in CMC.Further there will be 98% uptime warranty during CMC period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend CMC period by double the downtime period.				
2.CMC charges to be indicated as percentage of cost of equipment quoted for each year after the warranty period.				
3.GST shall be included in the CMC Charges quoted.				
4.Cost of CMC will be added for Ranking/Evaluation purpose with depreciation formula.A 10% discounting rate per year shall be applied on CMC Charges for price evaluation on Net Present Value.				
5.The payment of CMC will be made on quarterly basis after satisfactory completion of said period, duly certified by end user.				
6.While creating a bid or RA, buyers shall indicate whether CMC is required against Yes/No" options. If CMC Charges are included, an option for number of years for CMC required after the warranty period shall be available.Under this option up to 10 years can be chosen for CMC charges beyond warranty period.				
7.In case the bid has a provision for CMC, the warranty of the product will also be deemed to have been converted into Comprehensive warranty including preventive maintenance and calibration as per technical/ service /operational manual of the manufacturer, service charges and spares, during the Warranty Period also. Sellers are therefore advised to include the cost of Comprehensive Warranty including spares (excluding consumables) also in product Cost.				
8.The CMC functionality shall be available in bid only and no direct RA shall be applicable.In case of bid to R/A decrement rules shall be applicable on total price inclusive of CMC charges. Bunching of products shall not be available while creating bids with CMC charges.				
8.1.Buyer shall indicate number of years of warranty by selecting different options available in the field depending on warranty parameter applicable in category parameters for the equipment. No. of years of warranty indicated here shall supersede the warranty period indicated elsewhere in bid or product specifications. The Seller while participating in Bid/RA will get fields to indicate CMC charges as percentage depending on number of years of CMC selected by Buyer. The following shall be applicable, if 5 year CMC selected:				
CMC charges for 1st year after warranty period- Percentage to be indicated- A1				

CMC charges for 2nd year after warranty period- Percentage to be indicated- A2
CMC charges for 3rd year after warranty period - Percentage to be indicated- A3
CMC charges for 4th year after warranty period - Percentage to be indicated- A4
CMC charges for 5th year after warranty period - Percentage to be indicated- A5

Similarly, A6 to A10 are to be indicated for 6th to 10th year of CMC if applicable.

8.2.The calculation of CMC Charges shall take into account the number of years of warranty and duration of CMC as specified while creating bid.

8.3.In the price evaluation, the system shall provide function to calculate the cost of each equipment by formula indicated below including CMC and then show the inter-se-ranking of the bidders. The following are the variables

(i) Number of years for which CMC required.

(ii) Number of years of product warranty

The formula for calculating total cost including CMC charges shall be as under:

Total Cost for evaluation=

$C + C * \{(A1/100)/(1.10^n) + (A2/100)/(1.10^{n+1}) + (A3/100)/(1.10^{n+2}) + (A4/100)/(1.10^{n+3}) + (A5/100)/(1.10^{n+4})\}$ and so on

C - Cost for equipment quoted and n shall be number of years of product warranty specified.

If 2 year warranty specified, n shall be 2 and if 5 year warranty specified, n shall be 5. A1, A2, A3, A4 & A5 shall depend on how many years CMC selected. For 3 year CMC, only A1, A2 and A3 factors are to be taken into account and A4 and A5 will not be applicable.

8.4.CMC charges offered for each subsequent year should be same or higher than preceding year.

8.5.The CMC charges shall be offered within range of 3 to 10% of cost of equipment.

9.Since CMC charges are to be paid only later for each year during CMC period, applicable performance guarantee amount after placement of contract shall be based on the cost of equipment excluding the cost of CMC Charges.

10.Performance bank guarantee applicable for CMC is to be submitted at start of the CMC and shall be applicable between 2.5% to 10% as specified in bid on total CMC Charges. The PBG submitted after award of contract shall be released only after new PBG for the CMC period is submitted and accepted by buyer/consignee after due verification. Bank guarantee for CMC is to remain valid till completion of CMC period plus one year. The bank guarantee for CMC shall be submitted to buyer directly. In case, seller fails to submit the PBG or does not provide services for the CMC contract after expiry of warranty period then PBG of equipment shall be forfeited.

11.In case of splitting of order quantity, equipment cost and CMC charges offered by L1 bidder shall be matched by higher quoting eligible bidders on one-to-one basis. The equipment cost and CMC charges (year to year) shall be matched individually.

12.The CMC Contract shall be an offline contract to be handled by buyer. The payment of CMC will be made on quarterly basis after satisfactory completion of said period, duly certified by end user and scope of CMC will be as per para 1 above.

नियम और शर्तें | Terms and Conditions

1. Special terms and conditions- Version:1 effective from 06-10-2023

- 1.1
- All Provisions of Drugs and Cosmetics Act, 1940 and Rules (including Medical Device Rule 2017) made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
 - The sellers are registered on GeM based on the submission of valid Drug License and self declaration of product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
 - In case of authorized resellers/distributors, it will be the legal & regulatory liability of the manufacturer to ensure that their resellers/distributors are operating in compliance with all relevant laws and regulations and are properly licensed to sell the manufacturer's products, including verifying the validity and authenticity of drug license held by them.
 - The price offered by the seller/bidder shall not, in any case exceed the DPCO/NPPA controlled price or price fixed by State Government, if any. The seller must reduce the prices if there is any reduction in DPCO/NPPA ceiling price or price fixed by State Government, if any.
 - Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions (ATC) in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.
 - Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
 - Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are

available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.

11. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
12. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee. They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent. In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
13. Software: All software updates should be provided free of cost during warranty period.

2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable

3. Buyer Added Bid Specific Terms and Conditions-

3.1 Generic:

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.

3.2 Scope of Supply:

Scope of supply (Bid price to include all cost components) : Supply Installation Testing and Commissioning of Goods

3.3 Buyer Added Bid Specific ATC:

Buyer Added text based ATC clauses

1. Bidder must provide a live demo during the technical evaluation to be held in ESI Hospital Madurai, date and time will be intimated to the bidder in due course. Confirmation mail should be sent to ms-madurai.tn@esic.nic.in with a contact number. Failing bidders may be disqualified in the technical evaluation of the bid. The product has been cleared with the satisfactory report during the demonstration by the authorities of the hospital, alone shall be eligible for the next stage of a bid.

2. Equipment should be kept for observation in hospital for 10 days. If the working condition is not satisfactory, the product will be returned back.

3. Service center should be available in Tamilnadu.

4. Central Drugs standard Control Organization (CDSCO) certification is mandatory

5. The warranty of the equipment should be 5 years

6. All procedures including installation should laid down on AERB rules

3.4 Service & Support:

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

3.5 Service & Support:

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

नोट: यह सिस्टम जनरेटेड फाइल है। कोई हस्ताक्षर की आवश्यकता नहीं है। इस दस्तावेज़ का प्रिंट आउट भुगतान/लेनदेन उद्देश्य के लिए मान्य नहीं है।

Note: This is system generated file. No signature is required. Print out of this document is not valid for payment/ transaction purpose.

Specification विनिर्देश	Sub-Spec उप-विनिर्देश	Value मूल्य				
Standards	Certification	CDSCO/AERB				
	Certification number and date	15-TA-45302 Expiry Date: 18/06/2021				
	Type test approval from AREB required	Yes				
	AREB approval certificate number of Particular Model	15-TA-45302 Expiry Date: 18/06/2021				
	Conformity to manufacturing standards	ISO 13485				
Performance Parameters	Purpose	Mobile radiographic units (Portable X ray Machines) are used for radiographic imaging of patients who cannot be moved to the radiology department and who are in areas, such as intensive and critical care units or operating and emergency rooms. These devices are used mainly for general adult two-dimensional (2-D) radiographic studies (predominantly for chest x-rays) as well as pediatric, neonatal, and orthopedic imaging				
	UMDNS Name and Code	Radiographic Unit, Mobile - 13-272				
	Type of frequency Generator	High frequency				
	Frequency generator output in kW	4				
	Voltage Output range in kV	40 to 100				
	Tube Current in mA	100				
	Maximum Exposure time in milli sec	upto 40				
	mAs Range	0.5 to 250				
	Nominal focal spot size in mm	1 to 2				
	Inherent Filtration of x-ray	Yes				
	Collimator provided	Yes				
	Type of Collimator	Manual				
	Focal Spot size in mm	1-2				
	Heat storage capacity in kHU	107				
	Automatic exposure control device provided	No				
	Digital display for kV & mAs supplied	Yes				
	Electronic timer supplied	Yes				
	Provision of Anatomical programming radiography(APR)	Yes				
	X-ray tube system	Stationary Anode				
	Anode speed in rpm (Hint: for rotating anode the speed should be 2500 or more and for stationary anode 0)	2500				
	The unit should be easily positioned (from either side of the bed) for imaging in all possible projections	Yes				
	Portable X-ray machine shall be easily transportable and steering on caster wheel	Yes				
	Provision of effective braking system for parking,transport and emergency braking	Yes				
	Lead Aprons - Full body and Skirt type	4 No each (0.5pb)				
	No of Thyroid shield and Gonad Shield	4 No each				
	X-ray exposure command control	Hand switch				
	Power Cable length in meter	4				

	X- ray film Cassette holder available	Yes
	X-ray film cassette holder size in mm x mm	35 x 43
	Power supply	Single Phase AC (220-240 V,50 Hz)
	Power plug (16 amp) compatible to standard wall outlet shall be supplied	Yes
	Tube protection against overload provided	Yes
	Portable X ray machine should be made in small footprint and hidden cable design for easy and efficient cleaning	Yes
	Operating temperature and humidity	10 - 28 deg C and relative humidity of 15-90%
	Number of installations of the Portable X- ray machines in Central /State/PSU Govt Hospitals(Hint: Seller should furnish a performance certificate of the device to the buyer if demanded after placement of the order)	>3
	OEM and Reseller (if supplier is re-seller) shall ensure uninterrupted availability of all spares for 10 years	Yes
	Availability of toll free facility for technical support maintained by OEM or authorized agencies	Yes
	User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes
	Demonstration of equipment and training to be provided after completing supplies before acceptance	Yes
	Warranty (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	3
Reports	The Principal Manufacturer must have direct Presence/approved service center In India	Yes
	Copies of reports and certifications to be furnished to buyer on demand at time of supplies	Yes
	QA, QC and other tests as per NABH shall be carried out by OEM or authorized agency of OEM	Yes
	Copies of all calibration and test reports to be submitted at the time of Supply of Machine	Yes

Terms and Conditions नियम और शर्तें 1. Special terms and conditions- Version:2 effective from 21-10-2022 1.1 - All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by <i>Central Drugs Standard Control Organisation(CDSCO)</i>, Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard. - The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc. - The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any. - Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period. - Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address,telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where		

supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.

6. Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
7. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
8. Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
9. Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
10. Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
11. Software: All software updates should be provided free of cost during warranty period.
12. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.

2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable

3. Buyer Added Bid Specific Terms and Conditions-

3.1 Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity by up to 25% of the contracted quantity during the currency of the contract at the contracted rates. Bidders are bound to accept the orders accordingly.
